

# Jonas Vogler composer for film and television

## Short Bio

Jonas Vogler (\*1990) grew up near the Lake Constance. After finishing school, he studied music and social sciences in Hamburg and received a masters degree in jazz composition from the State University of Music and Performing Arts Stuttgart. He also completed the postgraduate film music program at Filmakademie Baden-Württemberg. His compositions include works for jazz ensembles of various sizes as well as for orchestra and chamber ensembles. In 2021 he released his first electronic music EP »Touch Wood«. He wrote the music for the documentary »Pornfluencer«, which was released in cinemas throughout Germany in 2022.
